Message from the Assistant Principal

Dear Students and Parents/Guardians:

On behalf of the entire Monarch family, I would like to welcome you to a new school year. We will continue implementing innovative programs such as Big Sister/Little Sister, Coding, and Women's Symposium to continue fostering leadership among our Lady Monarchs. We believe that all students are capable of learning at high levels and meeting academic, civic, and social standards. We are committed to providing challenging and engaging opportunities for all students to learn in a community of respect and personal responsibility.

Please take some time to explore our website. You will walk away from the experience with a better understanding of how YWPA assists in the development of your children. However, the website offers only a small glimpse of what the school has to offer. We encourage you to get involved, because it is only through parental and community involvement that a great school sustains its greatness. We will work together to focus on meeting these needs so our students can become successful leaders of future generations.

I am confident that the 2024-2025 school year will afford our young women to acquire knowledge and the opportunities they deserve.

Sincerely,

Paul Pfeiffer

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

Miami-Dade County School Board approved a revised Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the Code of Student Conduct is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The Code of Student Conduct addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadescholgbtols.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call the Office of Community Education, at 305-817-0014.

Protocol for Addressing Parental Concerns

Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review by appropriate. For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Public-Private Collaboration

Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the principal for application of District procedures.

Safety and Security

- ***Emergency Drills***

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been provided the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- ***Fire Drills (Evacuation Drills)***

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm is activated, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Lockdown Procedures**

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made that a student poses a threat of violence the team shall convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide

that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
